REMARKS/ARGUMENTS

Favorable consideration of this application, as presently amended, is respectfully requested.

The specification is amended by the present response to make certain clarifications.

Further, submitted with the present response is a substitute Figure 3 that changes the previously recited term "Water Repelling Agent 0.1%" to --Water Repelling Agent 0.1 g/m²--.

The changes made to the specification and substitute Figure 3 are not believed to raise any issues of new matter.

The present application is believed to be in condition for a full and thorough examination on the merits. An early and favorable consideration of the present application is hereby respectfully requested.

Respectfully submitted,
